Creating Wonderful Memories

【 Blissful Immersive Experiences 】

The most expensive gift cannot compare to a personal touch.

With your hands convey warmth and remember to enjoy the present.

Learn how to properly pick tea leaves as you experience being a tea farmer for a day.

Let the aromas from the roasting and grinding of coffee beans initiate a new journey.

Enjoy the slow pace of life in the Northwest Corridor.

Amber café

DIY coffee bean roasting experience

Coffee beans are cultivated using environmentally friendly methods, resulting in a wonderful aroma and taste. Thus, it's no wonder that Amber Coffee was honored with a silver award in a review of Taiwan-grown coffee beans.

- Begin with an Ecotour of the coffee plantation, then DIY removal of coffee bean shells, followed by roasting and grinding of coffee beans to create drip-bag coffee. Taste the quality coffee for a perfect ending.

Jin Yun Sin Tea Park

Tea roasting demonstrations

Tea experts demonstrate how to roast tea in bamboo tubes, during which the aromas of bamboo and tea blend together. Enjoy roasted tea along with juicy and tender chicken roasted with tea leaves for a different kind of tea tour.

- Tasting of roasted teas/non-roasted teas
- Chicken roasted with tea leaves

Starlight Forest B&B

Romantic forest and starry skies

This B&B is nestled in a forest. From here, observe rose-colored clouds as the sun sets. Later on, enjoy the night views of the stars above. Romantic rooms and afternoon tea provide couples with a tranquil and cozy getaway.

- Comfortable accommodation (including breakfast)
- Delightful afternoon tea

Xu Family Tea Plantation

Romantic mountain view B&B

This tea house and B&B is set against a backdrop of beautiful mountains. The owners provide DIY classes in which plant dyes are extracted by pounding with a mallet. A large outdoor garden is perfect for brewing tea to enjoy alone or with friends.

- Tea house B&B (including breakfast)
- DIY plant dye extraction
- DIY tea brewing (observing tea leaves; brewing and tasting tea)

Ruei Ming Shiang Tea

Romantic tea harvesting experience

Carry a bamboo basket as you walk through a tea plantation expertly choosing the best leaves to pick. Afterward, knead the leaves to release their fragrance. A bamboo forest is the perfect place to experience a tea ceremony and relax.

- Tea leaf picking, tea leaf processing, and tea ceremony experiences

Top One Coffee

Coffee tasting in a historic residence

A barista brews high mountain coffee by hand complemented by the telling of stories. In this historic residence, enjoy a romantic and sensory journey!

- Brewing of quality coffee by hand (wet process, dry process, honey process)
- Coffee story guided tour

Shan Cha Hua (Camellia) Tea House

Tea Tasting & cultural revival

Poets describe the arrival of spring in Taiping in terms of the blooming of camellias. On the first floor of Shan Cha Hua Tea House, along Taiping Old Street, is a tea ceremony space. On the second floor is a replica of writer Chang Wen-Huan's study. Taste tea and observe tea art masters, while listening to stories of Taiping.

- Tea tasting
- Taiping Cultural Tour
- The appreciation of kiln works

Look Tea House

A B&B for tea lovers

The owners of the Look Tea House incorporate warm hospitality into their accommodation packages. Guests can make a jelly fig dessert, enjoy a picnic with tea, or experience the Taixing Waterfall Trail at night. Eat, drink, and play in the beauty of Alishan.

- Comfortable accommodation (including breakfast)
- DIY jelly fig dessert making
- Nighttime lantern experience
- Picnic and tea ceremony experience

Charming Tea House

Discover your hidden talent for brewing tea

With over 30 years of tea processing experience, the owners instruct visitors on the essentials of brewing tea. Let the aroma linger as you taste high mountain tea. This is a destination for those with an interest in Taiwan's tea culture.

- Learn the three steps of tea appreciation: "observing" the tea leaves, brewing the tea and tasting the tea.
- DIY tea brewing

Ruolan Market

Desserts that recall romantic memories

Feel refreshed after spending time within a mountain forest. Savor Alishan-style desserts while recording your feelings on the back of a postcard. After your journey, let those words bring back wonderful memories.

- Scenic postcards (free to send within Taiwan)
- Pineapple enzyme jelly fig dessert
- Elegant desserts and herbal teas

Wang Ding Tea Plantation

Sentimental memories connected to tea

High quality tea can be stored for many years inside pottery jars. These often become treasured items connected to the memories of special people and events.

- Artistic pottery jars
- Alishan high mountain tea leaves

House of Ahan

A fragrant wooden B&B

This B&B is built from high mountain cypress wood which emits a wonderful fragrance. In a fairytale-like garden, gaze upon the vast surrounding mountains while sipping high mountain tea as you experience complete relaxation. Create your own souvenir from wood to remember your wonderful times in Alishan.

- Comfortable accommodation in a wooden B&B (including breakfast)
- Alishan high mountain black tea tasting
- DIY wood craft experience

Ming Yuan B&B

Fragrant tea cuisine

Choose stems with two leaves when picking tea. Complement this experience with dishes made with seasonal ingredients. Kneading tea leaves brings out their romantic fragrance. After a meal, enjoy drinking the high-quality tea, which is the achievement of three generations.

- Tea cuisine
- Cha San Dai high mountain tea

Princess Coffee

Pumpkin and milk hot pot

This cafe serves coffee from beans grown and roasted by the owner, expressing the owner's respect for the land and insistence on quality. The dishes here are made from local ingredients and served in a cozy environment, making this a must-visit café.

- Pumpkin and milk hot pot
- 2-in-1 or 3-in-1 coffee

Qing Ye Villa

Romantic sensory experience: coffee banquet

Enjoy award-winning coffee under a gentle bright blue sky. The aroma, flavor, and balance of acidity and mellowness are sure to please even the most discerning of taste buds.

- Brewing quality coffee by hand (wet process, dry process, honey process)
- Elegant desserts
