Longyan Village is located at the border between Meishan Township of Chiayi County, and Gukeng Township of Yunlin County. The village was covered with mountain longan trees in the early days; hence, it is nicknamed longyanlin (longan forest). Boasting a proud past, Longyan Village used to be the place of production of longan charcoal and daylilies. However, due to the population outflow, the village has begun to wane.

Located between altitudes of 700 and 1,300 meters, Longyan Village is shrouded in clouds and mist all year round. Affected by high altitudes, crops here grow slower, which explains the outstanding quality of tea and coffee grown here. Longyan Village is the place of origin of Taiwan high mountain tea, which was later introduced to tea farming areas in Alishan. In addition to high-quality tea, coffee grown in Longyan Village has achieved outstanding results in specialty coffee reviews in Taiwan Coffee Festival in recent years.

嘉義県梅山郷と雲林県古坑の境にある龍眼村はむかし龍眼の木が密生していたことから龍眼林と呼ばれていました。龍眼村は当時、龍眼の木で作った木炭の産地で、またワスレグサも生産されていましたが、その後次第に人口が減少していきました。

龍眼村は標高700-1300mの間にあり、一年を通して雲や霧に覆われています。高海抜地のため作物の成熟期が遅く、ここでは品質のよい茶葉やコーヒーが生産されています。

龍眼村は台湾高山茶発祥の地で、ここから台湾高山茶の栽培が阿里山全体に広がっていきました。近年は龍眼村産のコーヒーがコーヒー豆コンテストで幾度も受賞しています。
