

## 阿里山

國家風景區面積四萬公頃有餘，相當於一個半台北市大的廣闊山區，海拔從300公尺一路爬升到2600公尺，多元的動、植物生態是一絕；受到地層縱切的影響，區內峽谷、飛瀑特別多；海拔的變化也造就奇美的雲海、日出與晚霞，四季與晨昏節氣幻化美麗；阿里山的人文風情也是一寶，鐵道歷史、原住民部落文化交融出特有的旅遊情味。我們安排有賞鐵道櫻花的阿里山森林遊樂區、猶入武俠意境的瑞太遊、茶香農趣的茶之道、親近鄒族的部落格、有氧森呼吸的奮起湖、豐山、來吉等奇情山景，面對如此豐盛的旅遊饗宴，您準備好一起到阿里山旅行了嗎？

**Covering** more than 40,000 hectares, the Alishan National Scenic Area is equivalent in size to the mountainous area of Taipei and then half as much again. This vast ranges over an elevation of 300 to 2,600 meters above sea level. It boasts a rich diversity of wildlife and plant species, a dramatic landscape of cliffs, valleys, and waterfalls, and breathtaking cloud formation, sunrise and sunset views. Alishan is similarly well endowed with culture and history as home to the Tsou aboriginal people and the Alishan Forest Railway, adding further to the travel attractions of this region. From railway and cherry blossom tours in the Alishan Forest Recreation Area and journeys into the mysterious bamboo worlds of the Rueitai area to excursions to the fragrant land of tea, discoveries of Tsou aboriginal culture, and escapes into the refreshing forest air of Fencihu, Fongshan, and Laiji, Alishan invites you on an adventure to a land of beauty.
