Alishan

1 Eryanping Tea Plantation 24hr

The trail passes through woods, bamboo forests, tea plantations, and rock formations. The plantation is often shrouded in mist filled with moisture.

2 Shizhuo Trails (Shizhuo Tea Plantation) 24hr

Each section of the five Shizhuo trails (Mist, Tea, Cloud, Sunset, Sakura, Love) has its distinctive characteristics.

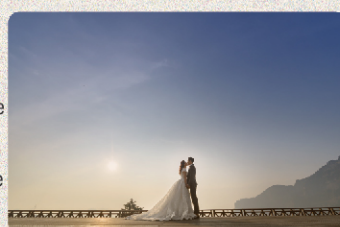

3 Deenyana 08:00-17:00

This mysterious realm which is located in Shizi Village, Alishan Township, is also known as the "Taiwanese" Shirakawago, a historic mountain village in Japan. The architectural style is reminiscent of the fairy-tale-like colorful houses in Europe. This picturesque village exudes a peaceful and tranquil aura.

4 Erwanping Train Station 24hr

This railway station is located 2000m above sea level. The trail which passes through a towering cedar forest is also known as the "Black Forest Trail". Travelers can take in the multi-faceted natural beauty of this trail with the sunset, cloud sea, forest, and railroad tracks as the visual highlights.

5 Alishan Sakura Season 24hr

Alishan Sakura Season lasts from January to March

The best locations for appreciating the beauty of Sakura (cherry blossoms) in full bloom in the Alishan National Forest Recreation Area include the Sakura King and Zhaoping Park in front of Alishan Station, sky walk (Sakura Trail), along the Forest Trail, in the area surrounding Alishan House, and at Zhushan Station.

6 Ruili Wisteria blossom season 24hr

Alishan Wisteria Blossom Season is in March

Visitors can appreciate the beauty of the wisteria blossoms in Ruili Village, Meishan Township, Alishan along the road between the 71K and 80K markers of County Highway 166. They can take in the scenic beauty when the purple blossoms are in full bloom in this gorgeous mountain village.

7 Fenqihu and Incense Cedar Reserve-seed tree forest 24hr

After accessing the periphery of this reserve-seed tree forest which was planted 100 years during the period of Japanese rule via a circular path, visitors are immersed into a natural lush, tranquil, and serene environment and will be left in awe of this 100-year-old forest.

8 Taixingyan Trail 24hr

This trail runs through tea plantations and pristine forests. A wide, expansive tea plantation is the starting point of this trail which traverses a mountain ridge before it reaches Taixingyan, which has a deep religious meaning for the inhabitants of Taixing Village.

9 Ruili Green Tunnel 24hr

This circular path is lined by Moso Bamboo, Makino Bamboo, and Japanese Cedar. The lush botanic environment is on a par with the secluded bamboo forest path in Arashiyama, Japan.

10 Ruifeng 1314 Lookout 24hr

Located at the 37.8 marker of County Highway 166

This deck which is located at the highest point of Guanri (Sunview) peak at an altitude of 1311m offers a 360-degree panoramic view of the enchanting tea plantation scenery with no dead angles.

11 Ruifeng 1314 Lover's Tower 24hr

Located at the 37.8 marker of County Highway 166

The flags of 18 countries and the words "I love you" in different languages are displayed on the Lover's Tower. Visitors can shout their romantic vows through a megaphone available at the tower which has turned into a popular IG check-in spot.

12 Taiping Suspension Bridge 09:00-16:30 on weekdays 09:00-17:30 on holidays closed on Wednesdays

This scenic suspension bridge connects Taipingshan and Guishan. On sunny days, visitors can over-look Chiayi and take in the scenic beauty of the 36 hairpin curves of Meishan road.
