

天淨月明，藍色里佳

里佳，鄒語為「niaucna」，沿169縣道的盡頭，是阿里山鄉地區最深處的部落。這個深藏在隱密山谷中的世外桃源，海拔位在1100-1400公尺間，因特別湛藍的天空及深藍的夜空，一直享有「藍色部落」美譽。里佳幾乎沒有光害，具備絕佳觀星條件，尤其每年四月、五月的螢火蟲季，入夜後滿山流螢閃動，與滿天繁星閃爍相互交映，此番奇景不僅點亮寧靜的里佳山區，更燃起人們心中最純淨的感動。

niaucna

In the Tsou language, the Lijia Community is known as Niaucna. It is located at the end of County Road 169. This is the community deepest in the mountains. Here is hidden a mountain gorge paradise. Located at elevations of between 1,100 and 1,400 meters it is famed for its deep blue sky. Therefore, this is also known as the “blue community”. There is very little light pollution in Niaucna and it is a great place for viewing the stars at night.

誠心祈願，貢禮之石

鄉人崇信天神與眾神，當地人相信貢禮之石所在之處便是里佳眾神派駐管轄的前哨站，為守護部落的所在之處。在交通不便的年代，不少遊子回鄉，經過貢禮之石時，會在石頭上擺放酒或食物以求平安，時至今日仍可看到石頭上有菸、水酒或檳榔，祈願旅途平安。

Tribute Stone

The tribute stone is where the Tsou pay tribute to their gods. The Tsou believe that this tribute stone is a kind of outpost overseen by the gods who protect the community. Before there were roads, when people walked by this stone on their way back to their communities they would leave some liquor or food to ask for a safe journey. Even today, people still place cigarettes, liquor and betel nuts on this stone.

自然質樸原味餐桌

里佳部落小巧可愛，用餐地點不多，自然質樸的部落無菜單料理餐廳一曉青的店，就藏匿在家戶中。除提供來訪遊客美味佳餚，平時也接受附近農戶的工作餐訂單。採用來自里佳國際雞場的放山雞、當地自產的蔬菜、族人自種的竹筍，端出一道道在地好滋味。

Simple and Natural Flavors

Niaucna is a small community with few eateries. Xiao-Qing's Shop is an eatery located within a home that has no menu. In addition to providing travelers with delicious food, it accepts meal orders from local farming households. Ingredients include locally produced free range chicken, vegetables and bamboo shoots.

嘉娜百藝工坊

只要來過里佳的遊客，一定都會知道嘉娜百藝工坊。嘉娜女主人鄭翠蓮女士會用最熱情的方式迎接每一位來到里佳的客人。白天您可以選擇步行到部落四周的原始森林步道，沐浴在芬多精中。晚上可以跟著女主人去賞螢與觀星，聽著女主人述說這裡每個會發亮的小故事。

Jiana Guesthouse

Those who have traveled to Niaucna will know the Jiana Baiyi Workshop. Zheng Cui-Lian warmly greets every visitor. During the day, you can visit any of the forest trails around the community. At night, you can go with Zheng to view fireflies and stars and listen as she tells stories.

部落風下午茶

位於部落上方的賞楓步道，高聳入天的楓香樹林就在步道兩側，適合在午後時分享用部落風味的下午茶，不論是熱泡冷泡，均不減其醇厚口感。

Tindigenous-Style Afternoon Tea

Maple Viewing Trail is located in the upper part of Niaucna. Tall maple trees line both sides of this trail. This is a good place for enjoying indigenous-style afternoon tea, no matter if the tea is brewed hot or cold.

風流洞步道

從鬼屋旁穿越竹林下行，可以抵達一小瀑布，繼續沿溪而下，依序還有一大一小的情人洞，情人洞是兩座在溪畔相鄰的天然巖穴，當地人通常以「風流洞」稱之。
天然岩洞可是不懂得風不風流，風流洞的來名據傳是因為鄒族有服役婚的習俗，當男子有意娶妻時，必須先到女方家工作3年，此期間雙方不可以越軌，於是便有情人來此岩洞縫紉，所以風流洞可是見證鄒族特有婚俗的歷史見證人呢！

Fengliu Caves Trail

From the “haunted house” head downward through bamboo forest. You will see a small waterfall. Walk along the river and you will see one large cave and one small cave collectively called Lovers’ Caves by the locals. These caverns formed naturally along the river bank due to wind and water erosion. In the Tsou tradition, if a man wanted to marry a woman, he needed to work in her home for three years. During this time, they were not allowed to see each other alone. Therefore, many couples snuck out to meet at these caves.

巨石板

棋盤格狀的裂痕，像是一塊裂大饅頭，天崩地裂將整座山劃分成兩半，大自然神奇力量，令人嘆為觀止！
里佳部落的深山裡面，有處神秘的大石板，原本是溪流的河道以及茂密的叢林，經過幾年前賀伯颱風的肆虐，沖刷出長達700公尺左右、最寬處有30公尺、坡度15度的「大石板」斜坡，當中僅偶見裂縫。

StonePlate

This stone plate features checkerboard-like lines, which were formed when an entire mountain split in two during a natural disaster. It is an amazing example of the force of nature.
In the deep mountains of Niaucna, there is a place with such a stone plate. Originally, there was a river and thick forest. However, during Typhoon Herb, a huge stone plate measuring 700 meters in length and 30 meters in width, with a slope of 15 degrees, appeared.
