觸口遊客中心站 Chukou Visitors Center

保持自然土地及順應原本地形山貌，利用「地景交織」、「漂浮」與「動線穿梭」等設計手法建造而成。並提供遊客詳細的友善服務，是臺18線上令人驚豔的新明珠。

Construction of the building was harmonized with the natural landscape and the original terrain of the mountain, using design techniques such as interweaving of landscapes, buoyant construction, and crisscrossed paths. Accessible and comprehensive services are provided to visitors, making it a new star attraction on Provincial Highway 18.

愛情大草原站 Love Prairie

園區陳列皆以「愛情」與「阿里山」為主題。其裝置藝術-純白色的禮盒裝著一顆火熱的心，是情人們必去的朝聖地點。

The exhibits in the park are based on the themes of "Love" and "Alishan". The installation artwork—a pure white gift box containing a passionate red heart—is a must-visit site for couples.

觸口站 Chukou

天長和地久兩座吊橋建於日據時，以紀念天長節(日本天皇生日)和地久節(皇太妃生日)而命名，自然而然與「天長地久」有情人終成眷屬的傳說而知名。

The two suspension bridges of Tian Chang and Di Jiou were constructed in the Japanese colonial period and named to commemorate the Tenchō Festival(Emperor's Birthday)and Chikyu Festival(Empress's Birthday).The phrase "Tenchō Chikyu" ("Tian Chang Di Jiou" in Chinese)means "enduring while earth and heaven last", which was naturally associated with undying love between lovers.

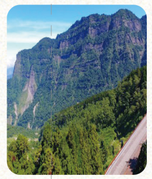

十字村站 Shizi

十字村是原住民達邦、來吉兩部落之間來往的交通要道，日據時期為開發阿里山林木，建立森林鐵路，鐵路與步道形成十字型，故取名為十字路，其聚落稱為十字村。

Shizi Community is a major transportation hub between the Tapangu and Pnguu indigenous communities. The forest railway was built during the Japanese colonial era for the development of the Alishan forests.The railroad and the trail formed a cross shape—hence the name Shizi ("cross") Road—and the settlement thereon was called Shizi Community.

青年活動中心站 Youth Activity Center

海拔2000公尺的二萬坪風景區擁有絕佳的視野景觀，能觀賞阿里山著名的秋冬雲海，而二萬坪車站旁更是觀賞塔山日落雲海的極佳景點。

At 2,000 meters above sea level, Erwanping Scenic Area offers a superb view overlooking various sceneries. Here, visitors will be able to enjoy the renowned sight of autumn and winter clouds at Alishan, and next to the Erwanping Station is an excellent spot to watch the iridescent clouds at twilight on Tashan.

阿里山轉運站 Alishan

阿里山國家森林遊樂區，園區內有香林神木、象鼻木、三代木、千歲檜等雄偉特異的紅檜巨木景觀，以及姐妹潭、樹靈塔等遊憩景點，是來阿里山遊玩不可錯過的著名景點。

Inside the Alishan National Forest Recreation Area can be found majestic and unique giant trees, such as Xianglin Giant Tree, Elephant Trunk Tree, Three Generation Tree, and Thousand Year Cypress. Some of the attractions inside the recreation area include the Sisters Lake and Tree Spirit Pagoda, which should definitely be on your must-see list when visiting Alishan.

奮起湖站 Fenqihu

依山而建的宅落店家，發展出歷史悠久的老街文化，擁有聞名全台的鐵路便當，是到奮起湖老街必嚐的懷舊美味。

The houses and shops built on the hillside have developed an "old street culture" with a long history. Here, visitors will be able to enjoy railway lunch boxes—a must-try nostalgic meal when visiting Fenqihu Old Street that is famous throughout Taiwan.

嘉義縣客家文化會館 Chiayi Hakka culture

頂六國小站 Ding-liou Elementary School

有靜態客家文物展覽、動態體驗(如客家文化DIY體驗、客家獅小禮品DIY)、館內收藏古文物解說及提供旅遊資訊，讓民眾可以透由相關的活動認識客家文化的內涵。

Visitors can gain a deeper insight on Hakka culture through related activities,such as exhibitions of Hakka artifacts, interactive experiences, and a guided tour of the museum's collection of ancient artifacts. In addition, travel information on related activities can also be found here.

吳鳳廟 Wufeng Temple

吳鳳廟站 Wufeng Temple

古色古香的阿里山忠王祠，國家三級古蹟，外牆朱紅色、歇山式屋頂與燕尾式屋脊為其獨特建築特色。

The classic Wufeng Temple (Alishan Zhongwang Temple) is a Class III Historical Monument. The temple's unique architectural features include its vermilion-colored outer walls, East Asian hip-and-gable roof, and swallowtail eaves.

麻竹湖步道 Mazhuhu Trail

龍美站 Longmei

麻竹湖步道約1000公尺，麻竹湖步道前段屬生態區可觀賞攝頭鷹、螢火蟲、果子狸、白面鼯鼠等多樣物種；後段屬景觀區天氣好時，白天到可觀賞到曾文水庫、玉山群峰等，夜間可欣賞嘉南平原夜景、澎湖煙火等美景。

The Mazhuhu Trail is around 1,000 meters in distance. The front section is an ecological zone where visitors can view a variety of species, including owls, fireflies, masked palm civets, and white-faced giant flying squirrels. The rear section is a scenic area, where visitors can enjoy the sceneries of Tsengwen Reservoir, the peaks of Yushan in the daytime and the sceneries of the Chiayi-Tainan Plain and Penghu fireworks at night.

二延平步道 Eryanping Trail

隙頂站 Xiding

步道約1000公尺，能俯瞰嘉南平原及水庫風光，眺望玉山主峰及南北二峰。入口及終點皆有觀景平台可欣賞阿里山絕佳景觀視野。

The 1,000-meter trail overlooks the Chiayi-Tainan Plain and the reservoir. Visitors can also see the Main Peak of Yushan, as well as its South Peak and North Peak. There are scenic platforms at the entrance and exit of the trail for visitors to enjoy the breathtaking view of Alishan.

巃頂步道 Longding Trail

巃頭坪站 Longtouping

巃頂步道約700公尺的休閒步道，步道生態以孟宗竹林為主，鳥鳴蟬吟是步道迎賓的天籟，至高點觀景平台，視野遼闊，附近山頭館覽無遺，是極佳的觀日出、霧雲瀑地點，更是情侶悠閒散步及親子出遊的最佳選擇。

Longding Trail is approximately 700 meters in distance. The environment of this recreational trail consists mainly of a Meng Zong bamboo forest. The trail offers a wide and unobstructed view, making it an excellent location to watch the sunrise and clouds, as well as a top choice for leisure walking and sightseeing.

石棹步道群 Shizhuo Trails

石棹站 Shizhuo

步道群由霧、茶、雲、霞、櫻、愛六條步道所組成，各步道皆有其獨特景觀，可欣賞阿里山霧色、雲景、霞光與茶園、杉林、竹林的閒閒美景。

There are a total of six trails: Mist, Tea, Clouds, Sunset, Cherry Blossoms, and Love. Each trail has its own unique scenery, where you can enjoy the sight of Alishan's mist, clouds, sunset, tea plantations, cedar forests, and bamboo forests.
